LONGFELLOW

Miss Smith, by her unique method of teaching, brought the pages of literature to life for her students. A sincere interest in her subject; and indeed, in life itself, enabled her to instill in them the desire for a greater knowledge and understanding of universal truths. Hers was a dedicated life — a life given to showing the way to others. She possessed and shared the ability —

*“To see a world in a grain of sand
And a heaven in a wild flower,
Hold infinity in the palm of your hand
And eternity in an hour.”*

MR. WILLIAM DESTEFANO
Headmaster

Dartmouth College, A.B.
Harvard University, Ed.M.

Before very long will come your graduation day. Suddenly you will find yourselves disbanded — each going his own way. Each of you must find his place in our great democracy. Often these days we of the adult world face the future with mixed emotions and with uncertainty. It is the character of youth, however, to be ever optimistic. It is my sincere hope that you will keep your shining optimism, and through wise choices of vocation, fulfill our wishes for your success.

We have seen in recent years developments which have surpassed the finest dreams of a generation ago. We are unable to predict what wonders are yet ahead. We have seen a stirring and awakening of the hopes and aspirations of people all over the world.

You are the ones who will now join us in facing the challenges of our era. It will take great courage on your part to decide always in favor of the right rather than the expedient.

Therefore, I recommend to you these watchwords: optimism and courage. Optimism will enable you to set high goals and courage will ensure their attainment.

Chaucer's Pilgrims set the stage,
Going forth across the page.
Next come Hamlet and Macbeth,
Caught in Shakespeare's web—to the death.

Poets and their works come now,
Shelley, Whittier, take a bow.
Goldsmith, Sheridan bring their plays
Leading into modern days.
Toss in grammar—now have we
A blend of English, iamb and free.
Poetry, prose, and drama, too.
A "Dandelion Wine" that's taught to you.

Freedom's light.

As we walk through the doors of Taunton High School for the last time, we will leave four precious years of our lives behind us. They have been magic years, full of hopes and dreams; working years, full of classes and homework; enriching years, full of long-lasting friendships and wonderful experiences.

We have come a long way. As freshmen, we were timid and unsure of ourselves. Awed by our upper classmen we were determined to measure up to them. During that first year we began to see a glimpse of a different world, and with June graduation we became sophomores.

Sophomore year found us taking an active role in school affairs, joining clubs, and sponsoring our own dance. Our junior year came, and before we realized it, our Junior Prom was a memory and seniors were wishing us luck. We were almost there.

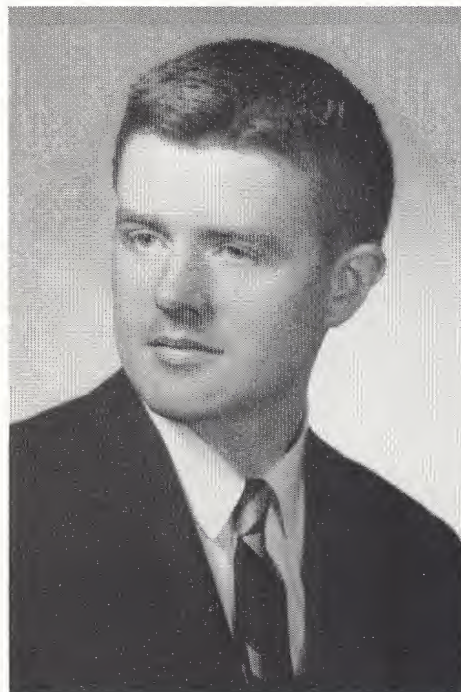

In September, we achieved the goal we had set for ourselves as freshmen. The magic status of being a senior — the bittersweet knowledge that soon we too would be graduating. The year sped by. Our Tigers won the Coyle game. We were busy with the *Journal*, *Tauntonian*, and endless other activities, but not too busy to enjoy ourselves at the senior class dance, "Mod Madness" or to participate in the production of "South Pacific." There was so much to do that our prom, "Try to Remember," and graduation came all too soon.

Now we are on our way to still another experience, this time on our own. But we can never forget our high school years, and the part they have played in our lives.

"It Was A Very Good Year . . ."

"Mod Madness"

As we returned
in September, we
looked forward to
an exciting year.

"Our coach, our coach is really tops,
He works, and works and never stops . . ."

Mr. Hemond is carried triumphantly from the
field after our Tigers beat Coyle.

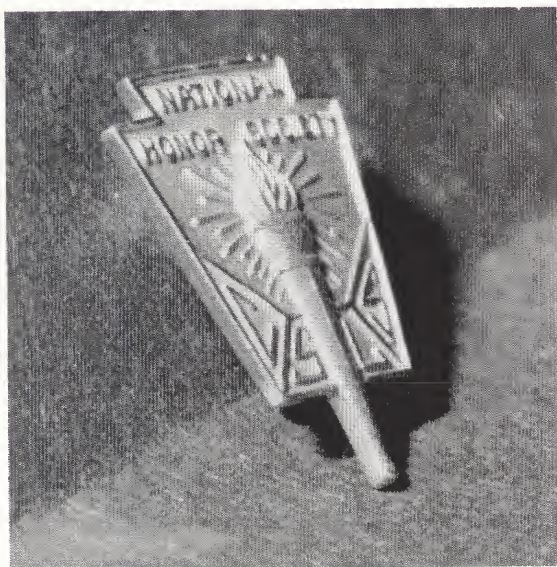

The end of a long day . . .
and the end of a very im-
portant time in our lives.

NATIONAL HONOR SOCIETY

Seated, left to right: J. Delano, E. Rhodes (Treasurer), D. Killian (President), K. Cohen (Vice-President), J. Phillips (Secretary), C. Silvia. Standing, left to right: D. Deane, C. Buxton, J. Saia, R. Arkanase, S. Costello, M. Cromley. (Absent): Glenn Morrison).

One of the highlights of the year is the National Honor Society induction in May. The beautiful simplicity of the ceremony is in contrast with the tenseness of the audience as they await the naming of new members. Character, scholarship, leadership, and service — these are the qualities which lead to membership. Those who are inducted are expected to set an example for the student body and to prove themselves worthy of the honor bestowed upon them.

To be a member, juniors must earn an average of 89.5% while seniors are required to maintain an 87.5% average.

Officers for this year are Donna Killian, President; Kenneth Cohen, Vice-President; Jane Phillips, Secretary; and Elizabeth Rhodes, Treasurer. Sponsors for the Honor Society are Miss Helen Dykas and Miss Anna Fenton.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

JUNIOR CLASS

Seated: Mrs. Bedonna B. Ashapa (Sponsor), Donald Brinard (President). Standing: Linda Cote (Secretary), Mrs. Josephine A. Coyle (Sponsor), Mr. Richard S. Januse (Sponsor), Kathryn Cornell (Treasurer). Absent: Deborah Craven (Vice President).

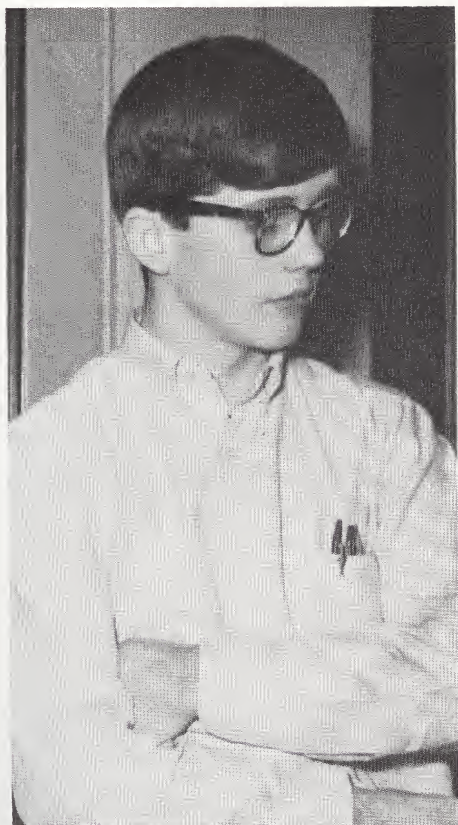

The members of the Junior Class have now completed their first year as upperclassmen. However, the excitement has not dwindled by any means, for each achievement this last year has served as a rung toward the heights of the ladder of education. Each step has become a memory to cherish in years to come.

Under the diligent leadership of Donald Brinard, president; Deborah Craven, vice president; Linda Cote, secretary; and Kathryn Cornell, treasurer; and the fine sponsorship of Mrs. Bedonna B. Ashapa, Mrs. Josephine A. Coyle, and Mr. Richard S. Januse, the Junior Class has several accomplishments of which to be proud. One of the most important of these was the changing of the herring on the class rings to a ferocious tiger, in honor of Taunton High's fearless teams.

First on the Junior Class social agenda was a dance held in the gymnasium on February 12. The theme of this successful function was "Follow Your Heart". The Junior Prom, dubbed "Younger Than Springtime", was held at the Cotillion on May 14. Truly, it was a night to remember. The Junior Class has also participated in various scholastic activities. Juniors played a prominent part in the annual Math Contest, the Science Fair, and the National Honor Society.

We all wish the Junior Class a successful senior year in both their academic and extracurricular endeavors.

SOPHOMORE CLASS

Seated: Miss Wilma Bowers (Sponsor), Lynwood Murray (President). Standing: Judith Hickey (Secretary), Jonathan Gutman (Vice President), Mr. Louis Gilchrist (Sponsor), Mr. Hamilton Lane (Sponsor), Diane Nolette (Treasurer).

Standing at the mid-point of their high school years, sophomores look back on the past and forward to the future. Part of the past now are the first, uncertain steps a freshman takes, dazzled by his upper classmen and the new world around him.

The Sophomore Class has had a busy year. Members of the class have joined school organizations, attended school functions, competed in the Science Fair, and acted in the school play. Under the guidance of its sponsors, Mr. Hamilton Lane, Mr. Louis Gilchrist, and Miss Wilma Bowers, and the officers, Lynwood Murray, president; Jonathan Gutman, vice president; Judith Hickey, secretary; and Diane Nolette, treasurer; the Sophomore Class has had a successful and enriching year.

In the future are the two all-important final years. Still ahead of them lie proms, dances, honors, work, and, finally, graduation. The two years seem long, but soon they will be gone. The road ahead is filled with work, but a great reward is at its end.

FRESHMAN CLASS

Seated: Bruce Borden (President), Mrs. Linda Rogers (Sponsor), Thomas Downey (Vice President). Standing: Sarah Sears (Secretary), Joan Lacritz (Treasurer).

"Where is 316? Where do I find an "up" stairway? Is this A block on Monday or F block on Tuesday? You mean there *isn't* a green elevator?" These are typical inquiries of confused freshmen during the first weeks of school. After the initial frustration passes, they settle down to studying and adjusting themselves to a high school society. There is a time to meet new people and to form lasting friendships.

Although freshmen are barred from most of the clubs, many lend their talents to the chorus or the band. Girls may help boost school spirit by joining the Pep Squad and cheering at all the games and meets. Boys may begin their military careers by joining the Cadet Corps, while the more athletic-minded freshmen try out for the sports teams. This year's freshmen teams were very successful, and Taunton High can look forward to years of victory as these young players gain experience.

In March, many take the opportunity to improve their scientific skills by entering the freshman division of the annual Science Fair. Each fair produces several unique exhibits and introduces eager young scientists to the community. The class of 1969 can look forward to a varied and enlarged schedule of activities during the next three years. The most important of these will be their upcoming junior and senior proms. However, their immediate aim is to become what all freshmen long to become . . . sophomores.

The desire of many high school students is to help publish their yearbook. In October this year's editors attended a journalism convention at Boston University where they learned ways in which to unify a yearbook, methods of arranging appealing layout, and new ideas on how to finance the whole undertaking. Then came the endless hours of meetings, numerous heated discussions, multiple changes in copy and layout, and final decisions before the material went into print. Although they began late, this year's staff rose to meet the challenge of the past and worked hard to produce a *Journal* with a distinctly new look.

The Student Council has worked very hard this year to encourage school activities, to produce a higher quality of school spirit, and to improve the welfare of Taunton High School.

The Council's biggest job was that of working out a special calendar to aid the student body in remembering special dates for club activities, meetings, dances, programs, and tests.

The Council was also busy working on several money-raising projects to assist members and officers in attending district and state conventions. The largest source of income this year was the successful Student-Faculty Basketball Game. Other projects were selling book covers in school, and soda at basketball games.

Planning brings . . .

With deadline to meet, and last minute problems to solve, the staff of the *Tauntonian* must work very hard to produce our school's award winning paper. Six times a year, however, the staff overcomes all obstacles to give the students and faculty of Taunton High informative news articles as well as entertaining and thought provoking student opinions, features, and editorials. The staff is fortunate to have the able assistance of their advisor, Miss Agnes T. Laughlin. Miss Laughlin, who has had much experience in helping the *Tauntonian* in past years, shows the staff the best methods of putting together a publication of which we can all be proud.

Bob meets the first member of the Traffic Squad's Canine Corps.

The Taunton High School Traffic Squad, whose members refer to themselves as "Harrison's Heroes", is a great asset to our school. The boys not only patrol the corridors and maintain order in general, but also assist the faculty and administration in many other ways. Traffic Squad members deliver notes from the Guidance Office and from Mr. Harrison, and often the daily notice sheets. This year the traffic guards were given the added responsibility of supervising the cafeteria during lunch periods. Each year the squad has a spring outing, at which the next year's officers are usually announced.

Buxton, J. Phillips, S. Laliberte.

The Girls' League is a group of senior girls who have maintained a scholastic average of 85% or better during their past three years of high school. Not only an honorary organization, this group, under the advisorship of Mrs. Turner, performs many valuable services for the faculty and administration. This year they also assumed the duty of helping keep order in the girls' rooms during the day.

During the year, Girls' League members sold tickets to the Bob Blasser "Concert in Laughter" for the Citizens' Scholarship Fund and acted as hostesses during open house nights.

Besides helping out, the Girls' League members also enjoyed themselves by visiting the "Toll House" during Christmastime and taking a trip at the end of the year.

PHY - BI - CHEM

MATH CLUB

The purpose of the THS Mathematics Club is to stimulate interest in higher mathematics, to make time for discussion of mathematical problems, to acquaint students with concepts of mathematics which could not otherwise be covered, to present students and faculty members with opportunities for closer cooperation, and to keep high the mathematics standards at Taunton High School.

PHY-BI-CHEM

Changing the name of the Science Club last year to Phy-Bi-Chem was only the beginning of a new image for the club. This year, Phy-Bi-Chem became more influential in planning the annual Science Fair. It also increased the members' knowledge of science and helped them understand the importance of science in their lives. Besides having special guest speakers, watching movies, and performing unusual experiments, members also visited the Museum of Science, the U.S.S. Massachusetts, and the Oceanographic Institute at Woods Hole.

HISTORY CLUB

HISTORY CLUB

The Taunton High School History Club has a membership of nearly forty history and social studies students. The club's aims are to stimulate interest in current affairs and teach its members the fundamentals of parliamentary law. In March, the group presented an annual program at the Old Colony Historical Society. The program included oratorical and musical presentations by club members. Other activities included two outings, one of which was an annual trip to the State House in Boston.

DEBATING SOCIETY

DEBATING SOCIETY

The Debating Society had sixteen matches during their second year in the Narragansett Interscholastic Debating League. The affirmative team consisted of Glenn Morrison and Walter Stadnisky and the negative team was made up of Manuela Costa and Paul Osenkowski, with Nancy Howell as first substitute. They worked hard to improve last year's record of seven in nine. With the loss of only one senior, the nucleus of next year's club will be experienced debaters.

LANGUAGE CLUBS

Seated: Mrs. Casieri (Sponsor). Standing: E. Chudnovsky (President), S. Costello (Treasurer), M. Gazda (Secretary), B. Sears (Vice-President).

LA TERTULIA

La Tertulia, Taunton High School's Spanish Club, began its second "New Season" in January. The first half of the year was highlighted by "Bailailorum-A-Go-Go," a language department dance which was both a social and financial success. At Christmas, a committee donated their time to arrange for Christmas gifts to be given to the children's ward of Morton Hospital.

Seated: Mr. Broomfield (Sponsor). Standing: J. Marter (Treasurer), B. Correia (Program Chairman), R. Costa (Secretary), J. Gula (President), C. Trend (Vice-President).

LE CERCLE FRANCAIS

Le Cercle Francais aims to give its members — sophomore, junior, and senior French students—a better understanding of France and its culture. This year club members corresponded with French teenagers through a pen-pal program and were able to compare the life of their French counterpart with their own. The Club also introduced its members to French folk songs at a concert by Marc and Andre at Rhode Island College.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League of Taunton High School is a chapter of the National Organization of Junior Classical Leagues. Its purpose is to foster an appreciation and interest in the Latin language.

Annual events include a slave auction, a Christmas party, a trip to the Boston Museum of Fine Arts, a state convention, and a fund raising project for scholarship awards. The club awards the J.C.L. Medal to the most outstanding Latin student at graduation.

Chudnovsky, C. Constantine, N. Phillips, S. Costello, K. Cabral, E. Rhodes, D. Killian.

HIGH SCHOOL RED CROSS

The Taunton High School Red Cross is composed of representatives from all homerooms and officers and members of the various committees. An enrollment drive is held every fall to recruit new members. Volunteers are always needed for the projects the Red Cross conducts in school and the community. In school, the Red Cross sells book covers, pencils, and Thanksgiving Day corsages. Community projects include sending volunteer workers to Brockton V.A. Hospital and Paul A. Dever State School, where talent shows are also provided. Decorations and favors are given to the two hospitals at every holiday throughout the school year.

In the spring, committees fill gift boxes with useful items, to be sent where they are most needed.

BUSINESS CLUB

The main goal of the Business Club is to prepare its members for careers in the world of business. Since most of its members, who are enrolled in commercial courses, will be part of the business world within the next few years, they enjoy hearing the guest speakers from local business establishments. Another activity is a series of visits to area businesses. Members also aid the school by volunteering their typing abilities.

Seated: V. Rose (President). Standing: Miss Martin (Sponsor), G. LaRosa, (Treasurer), J. Austin (Secretary), R. Allen (Vice President).

BAND

"The Phantom Regiment"

"Where words fail, music speaks."

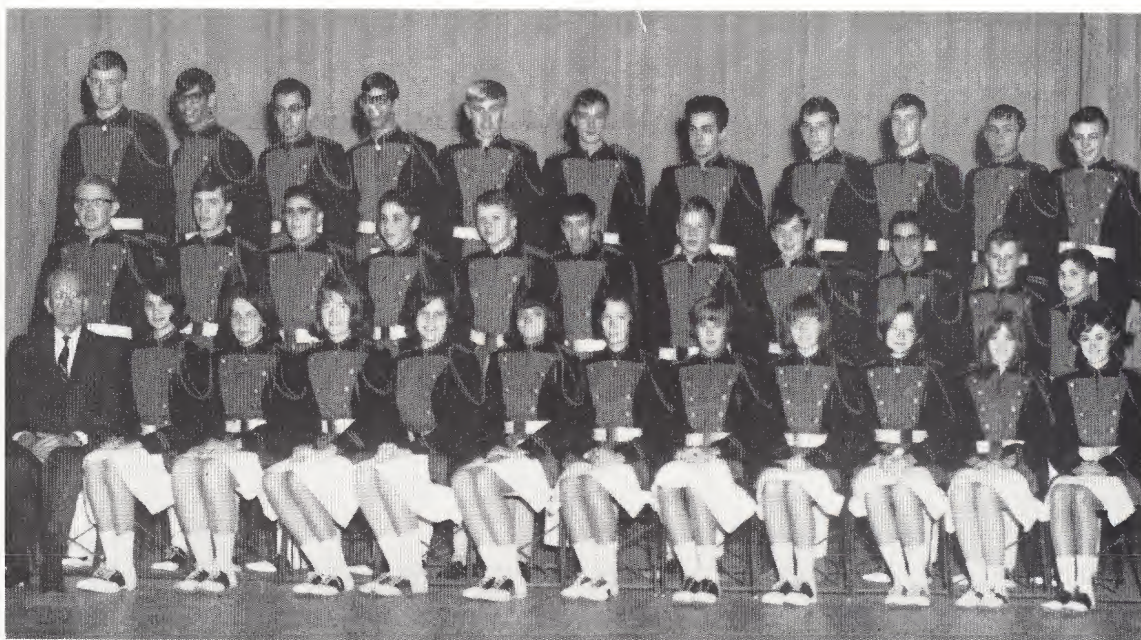

Under the direction of Mr. Robert H. Park, the Taunton High School Band has spoken well of our school for some forty-one years. Not only have its members added spirit to our football games and rallies, but they have represented Taunton High in parades, at the Rotary Club, and in concerts at other schools. They have also made their annual Spring Concert a tradition, one which is always enjoyed by the entire city.

In addition to the concert band, Mr. Park has also formed the Swing Band. This group practices after school hours and always delights our concert audiences with arrangements of popular tunes.

The THS Band has reached the prominent position it now holds in southeastern Massachusetts and throughout New England because of Mr. Robert H. Park. Mr. Park came to Taunton High in the early 1920's to assist with the orchestra. When the conductor left, Mr. Park took over the job, working for the first few years without pay. Because some of the orchestra members were interested in having a band, he organized one with only eighteen boys. Over the years this organization has grown to the present seventy to seventy-five members.

With his love and knowledge of music combined with his interest in his students, Mr. Park has made the THS Band outstanding.

DRAMATIC CLUB

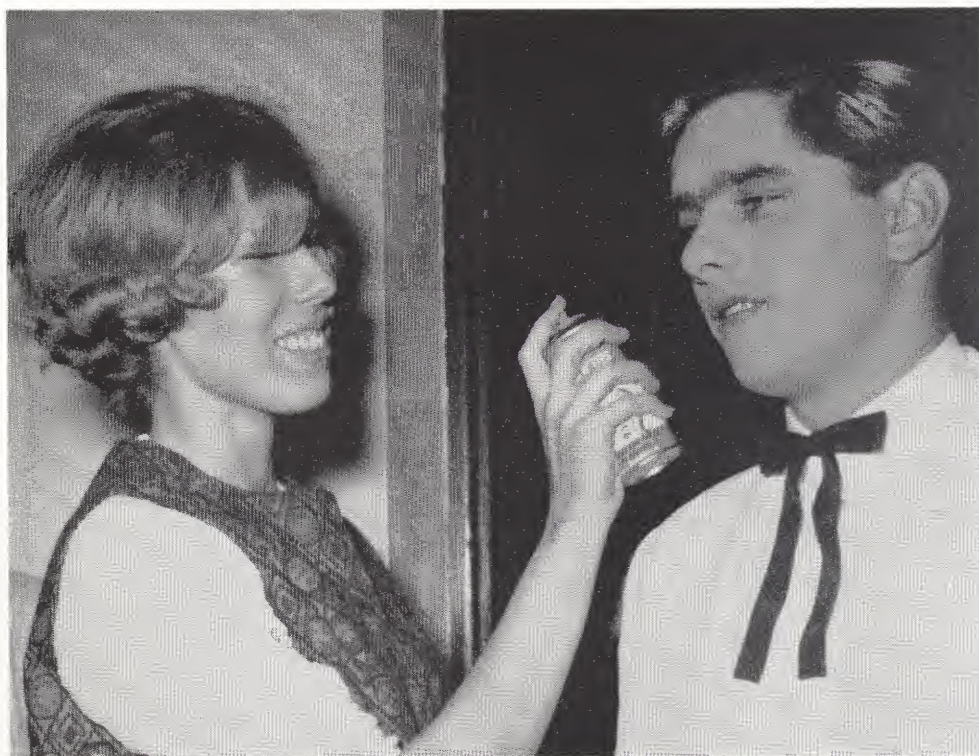

Since its organization in 1962, the Dramatic Club has taken giant steps forward. Under the direction of John Kelley, it went from a group of 50 students to a membership of 300. This year, with the success of "Our Miss Brooks" and "Oklahoma" behind them, Mr. Kelley and Richard McMorrow, co-sponsor and music director, tackled "South Pacific" — and won the match.

Playing to full capacity audiences both nights, the members of the Dramatic Club became nurses, sailors, officers, natives. Leading roles were played by Tim McNulty, Jane Phillips, Sharon Lima, Walter Cahoon, and Don Brinard.

Behind the scenes were students, teachers, and some former students who also contributed to make "South Pacific" a success.

The Taunton High School Chorus is the largest musical organization in the school. Throughout the year, the members of the chorus practice for their two main performances — the annual caroling through the corridors at Christmas and the Spring Concert. While the program at Christmas is mostly traditional, the spring offering includes show tunes and popular songs, as well as the old favorites.

A smaller group, the Silvertones, is made up of about fifteen students who are willing to devote free time to learning special music. This group performs for many civic and charitable organizations.

PEP SQUAD

The Pep Squad, one of the largest clubs in the school, is open to all girls. Its purpose is to maintain spirit in the school throughout the year.

This year, in anticipation of a victorious season, the rallies were bigger and better than ever before. The work of the Pep Squad and Band was not in vain — Thanksgiving brought victory to the school once more.

In October, enthusiastic members of the squad canvassed the city and collected over \$1000 in the annual Booster Club Tag Day. As in the past, the Pep Squad presented a trophy at the football banquet to the most deserving football player.

SKI CLUB

Have you ever been skiing? Before the Ski Club went to Mount Snow, many of its members hadn't. The first trip down the slope was a bit scary, but these enthusiastic novices soon discovered the thrill and sense of accomplishment one receives from this challenging sport. Everyone was back again on the next ski trip, which was to Pico Peak, in Vermont.

A whistle—then our high stepping majorettes lead the band onto the field. Their batons glisten in the sun and become flashing streaks as the girls go through their routine. Occasional smiles light their faces and many in the crowd may murmur "It looks so easy!"

The other six girls who add color to the band and the half-time activities at football games are the flagtwirlers. The bright flags flutter and beat against the wind as the girls twirl them in time to the music. The girls spend hours trying to synchronize their movements and the satisfaction of a good performance on the field is their reward.

"Louder—we can't hear you!" was the frequent complaint of our nine peppy cheerleaders. This year's squad aroused spirit at rallies and games with their enthusiastic cheers and unwavering cries of encouragement for our teams. In rain or shine, hot or cold, they were there urging our Tigers to victory.

All these girls and their substitutes devoted many long hours of practice to perfecting routines for half-time, rallies, and marching on the street. The cheerleaders, flagtwirlers, and majorettes contributed much to the spirit and enthusiasm at the games and made many new friends for Taunton High.

Cadets learn that proficiency pays off.

The Taunton High School Cadet Corps, the only military organization ever to be affiliated with our school, is one of the oldest high school military organizations in the country, celebrating its 80th anniversary this year.

The Cadet Corps is recognized as an outstanding organization for the ideals which are inculcated in its members. The recruit learns military science, precision teamwork, obedience, and neatness. As an officer, the cadet learns to develop qualities of leadership and responsibilities which are invaluable in later life.

For generations, the Prize Drills and Balls have been the outstanding social events of the high school calendar. The January Prize Drill features manual of arms competition for upper-class cadets and first year cadets. The June Drill produces a keen competition among the three companies for the company trophy. In honor of the anniversary celebration this year, a third Drill, introducing platoon competition, was held in April.

ART CLUB

The Art Club, a new club for budding young artists, has been kept busy the past year by decorating the corridors and cafeterias for special events, including the Science Fair, Christmas, and National Lunch Week. Some of their works were shown in a Spring Art Exhibit on the third floor.

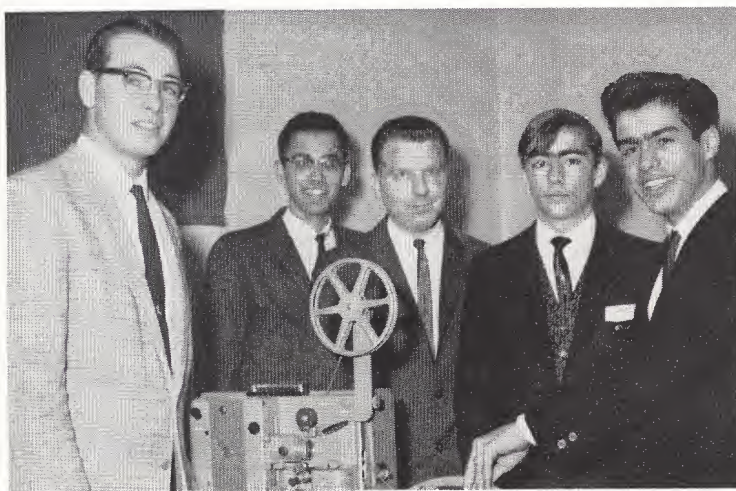

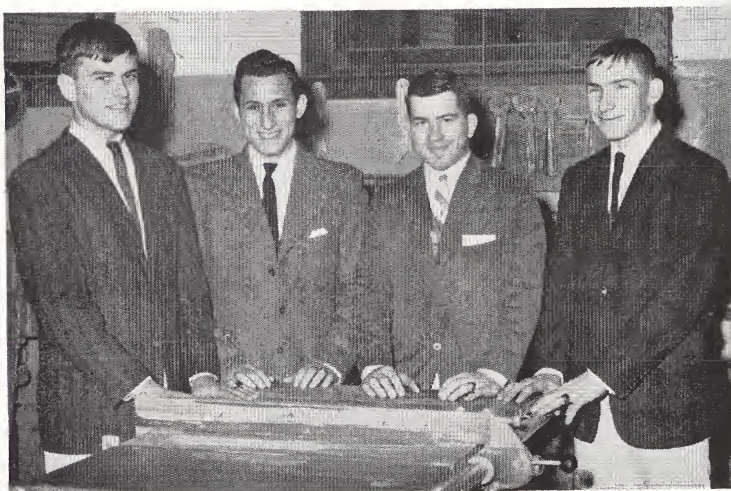

A trip to the Boston Museum of Art to view the Masters and Moderns was the big delight of the year.

INDUSTRIAL ARTS CLUB

The aim of the Industrial Arts Club is to create a better understanding of industrial arts, to allow those in the industrial arts classes a chance to express their feelings and problems confronting them in this field, and to show the necessity of the industrial arts program. This year, for both enjoyment and education, members toured many local companies and industries, and participated in the annual Career Day program.

H. Emond (Secretary), P. Arguin (President), D. Perrault (Vice President), M. Mirka (Treasurer).

AUDIO-VISUAL CLUB

Managing the sound and lighting equipment at assemblies is only one of the Audio-Visual Club's many activities. Club members, who share common interests in photography and audio equipment, also assist the faculty by presenting films, running the projector, and setting up necessary apparatus. The Audio-Visual Club provides many interesting opportunities for its members and many services for Taunton High School.

HOME ECONOMICS

HOME ECONOMICS CLUB

The Home Economics Club met once a month for various types of meetings, some for fun and some for service or education. Fun meetings included a Christmas party and a picnic in May. During the February meeting, members made cookies for a Red Cross party at the Brockton V.A. Hospital. A trip to the Peabody Museum of Glass Flowers in April proved both educational and entertaining.

First row: W. Lemaire, M. Baron, T. Bernardo, Brian Cornell, Bruce Cornell (Co-captain), M. DelSolio (Co-captain), R. Barron, W. Arguin, R. Beals, R. Massey. Second row: Assistant Coach R. Boyle, Assistant Coach B. Verre.

A Thanksgiving Day win over Coyle High and the return of Taunton High School football spirit were two factors which made the 1965 gridiron season a success. In its second year under Head Coach George Hemond, the team posted a season record of 4-4-1. Despite their mediocre record, however, the Tigers had some real standout gridsters among them. Co-captains Mike DelSolio and Bruce Cornell were two of the best backs in Bristol County. Offensive standouts, they were also noted for defensive skill. DelSolio's speed, faking, and high stepping were important in every game while Cornell's good speed and tremendous strength made him the terror of opposing defensive linemen. Bruce as a defensive linebacker was possibly the hardest hitting tackler in the league.

Taunton's forward wall boasted two men who rated high praise. John Hayes was an All-Bristol tackle despite a troublesome leg injury. He was a very aggressive player, and he left opposing linemen sprawled out on the field after nearly every play. Offensive guard Bob Beals, in his third year of varsity play, opened up gaping holes in the opponents' lines to give running room for one of the county's best backfields.

The Taunton High Freshmen enjoyed a successful season with a record of four victories and two defeats. Among their victories were Attleboro, Henry Lord, North Attleboro, and Morton. Their two defeats were at the hands of Bishop Feehan and Coyle.

Some bright hopes for the varsity are Daniel Ferriera at center, Ed Hayes at guard, Joe Hayes at quarterback, Tom Downey at end, and Paul Ascheiro at end.

TRACK AND FIELD

The track team, coached by Mr. Paul Levesque, is looking forward to this year's season. Although the team is not too strong, Pete Fernandes, Paul Gustafson, and Ron Drapeau should give Taunton's opponents stiff competition.

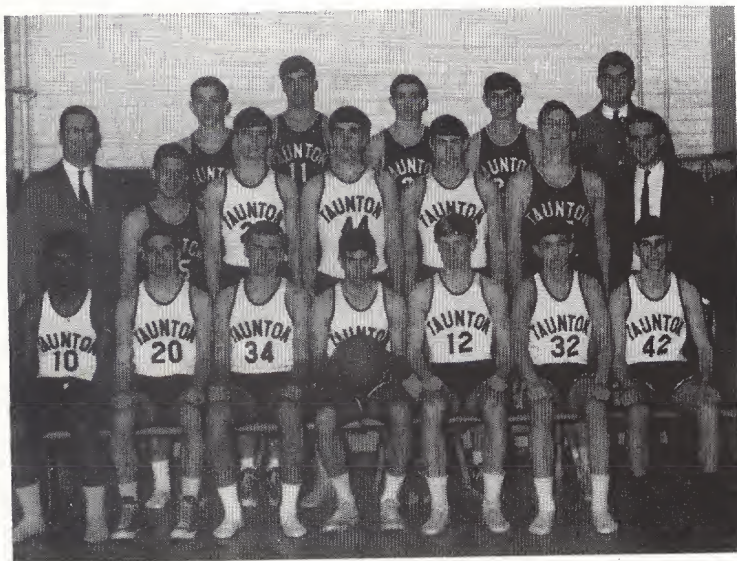

First row: R. Pratt, K. Arpin, R. Drapeau (Captain), J. Carreiro, A. Arpin. Second row: Coach P. Levesque, S. Ridley, R. Brocklehurst, T. Viera, S. Robbins, J. Nunes, F. Kostka, S. Vavolotis.

CROSS COUNTRY

Taunton High's cross-country team ended the season with a record of five wins and five defeats. Coached by Mr. Paul Levesque, the record is quite good since the sport is only in its second year. The team posted victories over Durfee, Bridgewater-Raynham, Case, Dighton-Rehoboth, and Bristol County Aggie.

The team was led by captain Ron Drapeau, Ken Arpin and Bob Pratt. The team had good depth with Tom Viera, Steve Robbins, Dave Thereault, Socrates Vavolotis, Frank Kostka, and Richard Brocklehurst in reserve.

BASKETBALL

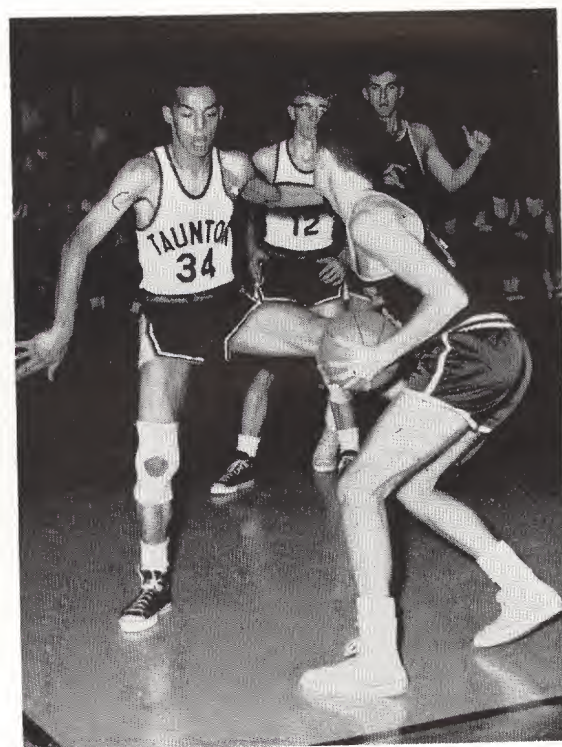

First row: D. Silvia, B. Cornell, P. Wray, J. Medas (Captain), A. Kostka, T. Ferreira, C. Andrade. Second row: Coach R. Daly, J. Gutman, P. Gustafson, R. Borges, M. Carty, P. Gustafson, Ass't. Coach J. Ritchie. Third row: F. Penacho, S. Chausse, D. Frates, B. Medeiros, B. Beauvais (Manager).

Handicapped by lack of height and bench strength, Taunton High's basketball team posted a record of five wins and thirteen losses. Paced by captain John Medas with 367 points and Ronnie Borges with 244 points, Taunton High had at times an explosive and well-executed attack.

The aggressiveness and determination of Alan Avellar, Charlie Andrade, Art Kostka, and Mike Carty helped Taunton give stiff competition to every team they played. The players worked well together and hustled all the time as they strove for victory.

Despite a losing record, the Tigers played their best to the final whistle.

First row: E. Patenaude, R. Costa, D. Stepnick, W. Mallette, J. LaFrance, T. Perry, M. Abbott. Second row: Coach R. Reddy, T. Downey, P. Smith, G. Frost, P. Menard, R. Brocklehurst, D. Thereault (Manager).

The Taunton High Freshmen ended a very successful season with a record of twelve wins and six defeats. The team had balanced scoring as Bill Mallette, Joel LaFrance, Tom Perry, Tom Downey, and Phil Smith all scored in double figures. The season was highlighted by two victories over arch-rival Coyle.

BASEBALL

"Where's the ball?"

"Wait till next year!" is not the cry of Taunton High School's varsity baseball team. Taunton High hopes this will be *the* year. With 12 lettermen returning from last year's squad, coach Mike George feels that our Tigers must be considered as contenders for the Bristol County Crown.

In the lineup, with Bruce Cornell, Mike DelSolio, and Ken Perry, Taunton should score their share of runs. However, the pitching seems to be a problem. Art Kostka is the only pitcher on the squad with varsity experience. In reserve Taunton has John Medas and Mike Strojny who could develop into top pitchers.

If the first two games are any indication of our team's success, Taunton could very well take the crown. Art white-washed Attleboro and intra-city rival Coyle by scores of 5-0 and 9-0 respectively. Tiger hitting was impressive as they got the big hit when it was needed. The opponents, if they did manage to hit the ball were thrown out by the flawless Tiger defense.

First row: M. Mirka, B. Medeiros, K. Perry, D. Lewry, B. Cornell (Co-captain), M. DelSolio (Co-captain), M. Strojny, P. Osenkowski, R. Nolette, T. Lavelle. Second row: Coach M. George, A. Kostka, Joseph Hamilton, James Hamilton, J. Medas, B. Cornell, S. Chausse, B. Rose.

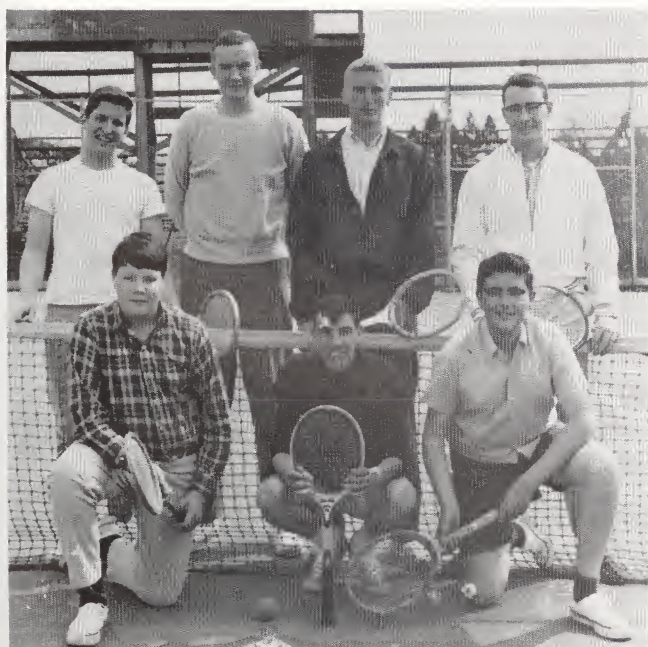

TENNIS - GOLF

GOLF

With the same team coming back from last year's squad, Taunton High's golf team is looking forward to a very successful season. Coached by John Kelley, the team will depend on the play of Captain Bob Kearney, Jerry Cusick, Mike Gray, George Gross, Steve Lazarus, Francis Ludovina, and Glen Morrison.

R. King, E. Dion, M. Gray, Coach J. Kelley, B. Kearney (Captain), S. Lazarus, J. Cusick.

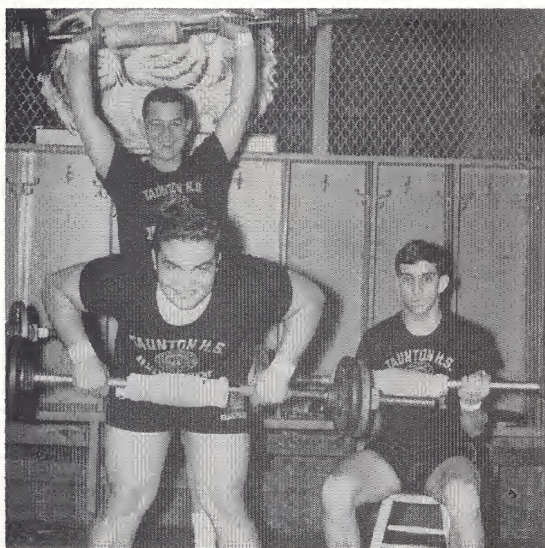

Kneeling: A. Leckhart, R. Costa, A. Medeiros. Standing: J. Gutman, Coach R. Reddy, P. Wray, W. Arguin.

TENNIS

Despite an unsuccessful season last year, Taunton High School's tennis team will be much stronger this year. Coached by Mr. Robert Reddy, the team will rely on Paul Wray, Walter Stadnisky, Wayne Arguin, and Jon Gutman.

Matches are scheduled against Coyle, Fairhaven, Falmouth, Dartmouth, and several other schools.

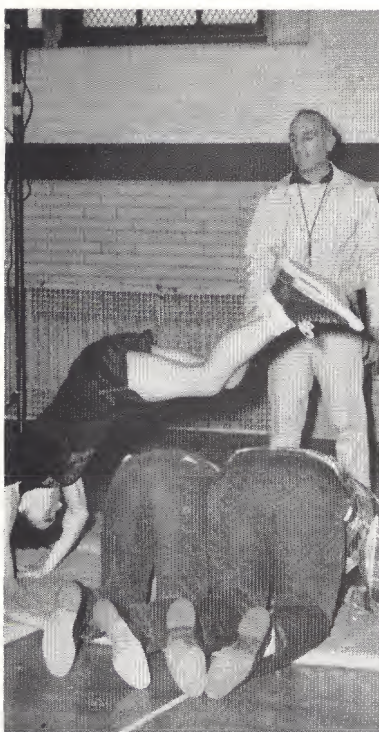

INTRAMURALS

Musclemen!

Intramurals give boys and girls the opportunity to participate in non-varsity sports. Under the direction of Augustine Di Rubio, the intramurals contain a wide variety of sports. The program offers such sports as volleyball, badminton, weight training, swimming, basketball, indoor baseball, softball, and bowling.

Besides giving the students a chance to compete, intramurals give the students an opportunity to meet fellow students and to work as a team for a common goal.

GIRLS' BASKETBALL

Janet lays it up and in.

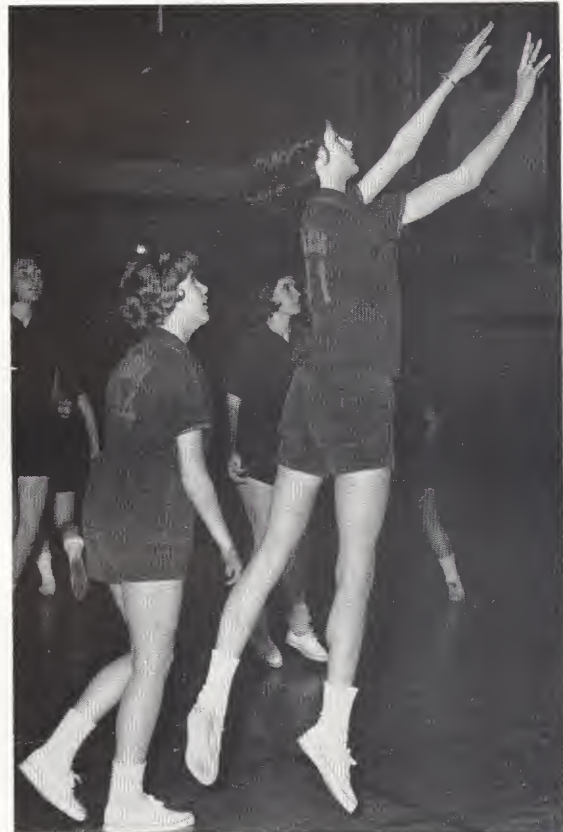

This year's Girls' Varsity Basketball team, captained by Liz Rhodes, took second place in the New Bedford Division of the Bristol County Girls' League. Led by high scoring Janet Hartwell, with 103 points, the girls had a 6-1 record, losing only to Dartmouth by a mere three points. The girls had victories over Bishop Stang, New Bedford High, Apponequet, Westport, and Fairhaven. In a non-league game the Tigerettes defeated their intra-city rival, Bishop Cassidy, by the score of 40-28.

Coached by Miss Martha Noakes, the girls' key to success was teamwork. Janet Hartwell, Ellie Robinson, and Brenda Burden did an excellent job of setting up plays and scoring points, while aided on the other end of the court by the fine defensive playing and rebounding of Liz Rhodes, Jean Bonin, and Anna Lovell. The only sub on the team, Sharon Lima, a forward, proved to be a valuable asset.

Since none of the varsity will be returning next year, many of the J.V.'s will be moving into varsity positions. The 1966 Junior Varsity, paced by the scoring of Karen Fernandes, Louanne Longo, Cheryl Lopes, and Diane Nolette, ended the season with a 4-3 record.

First row: A. Lovell, S. Lima, B. Burden, E. Rhodes (Captain), J. Bonin, E. Robinson, J. Hartwell. Second row: Coach M. Noakes, L. Pimental, R. Souza, B. Dexter, P. Stratton, D. Nolette, E. Conley (Manager). Third row: C. Trend (Manager), E. Strojny, L. Meunier, C. Wilkens, G. Enos, K. Fernandes, P. Bresnahan (Manager), Absent: C. Lopes, L. Longo, G. Longo.

Liz leaps for the rebound.

GIRLS' VOLLEYBALL

Jean hits a scorcher.

A backward view.

"Hit the ball to me."

The girls' volleyball team, led by Captain Jean Bonin, had a successful season with a record of five wins and four losses. The team showed a lot of determination and spirit as they fought hard in every game. Ellie Robinson, Beverly Banks, Diane Nolette, Susan Nolette, and Carol Machado were key players in the team's success.

First row: P. Avila (Manager), C. Machado, C. Trend, S. Nolette, J. Bonin (Captain), E. Robinson, B. Banks, L. Longo, P. Devereaux (Manager). Second row: L. DeRose, R. Souza, G. Longo, C. Cogswell, C. Wilkins, G. Enos, D. Nolette.

GIRLS' SOFTBALL

Whoosh!

The girls' softball team is looking forward to a successful season. Coached by Miss Martha Noakes, the team will be led by Captain Janet Hartwell and the powerful hitting of Louanne Longo, Carol Machado, Rita Meunier, and Sharon Lima.

Participating in the Bristol County Inter-Scholastic Girls' League, the team has eight seven-inning games scheduled against Dartmouth, Westport, Dighton-Rehoboth, Apponequet, New Bedford, Somerset, and Durfee.

"You're out!"

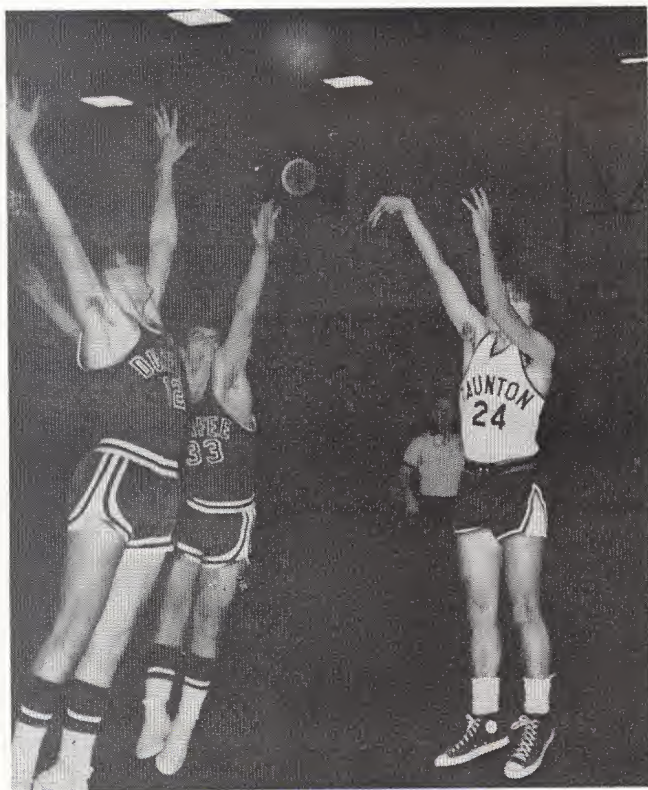

First row: C. Cogswell, L. Longo, A. Lovell, E. Rhodes, J. Hartwell (Captain), S. Lima, B. Banks, C. Machado, B. Dexter. Second row: R. Souza, C. Lopes, G. Enos, C. Trend (Manager), G. Longo, M. Gwozdz, K. Fernandes.

Sharon displays her winning form.

T.H.S. CLASS OF 1961

Former member of the Taunton High School Cadet Corps

PFC Paul Lee was killed in action on January 29, 1966, in South Viet Nam while serving with B Co, 1st Bn, 7th Cavalry Regiment, 1st Cavalry Division (Air Mobile).

Only the finite scope of words limits the tribute we feel for Private Lee's integrity and honor as an American and a soldier. The faith Private Lee had in America and her ideals was a fervent one; one he himself expressed so vibrantly in his last letter home:

"I know there are some people in the United States who resent our policy over here, but believe me, we are doing a world of good for those poor, innocent people who have fallen victim to Communist terrorism. It has to end somewhere, so it may as well be as far from home as we can make it.

"Everyone here backs President Johnson to the hilt. That is why I can't see how anyone home has the indecency to demonstrate while we here have no complaints whatsoever."
